TIME OFF ACCRUAL POLICY

Ms. Gilles reviewed the time off accrual policy she put together that was previously emailed to the board (see attached). Ms. Gilles asked the board if they had any questions.

Mr. Strough asked for clarification on how many hours an employee works to be considered part time.

Ms. Gilles said part time is at least 29 hours.

Mr. Strough said 29 hours or less does not get vacation time but was not sure on sick leave and the other time off accrual. Ms. Gilles stated they do not get sick or other leave.

Mr. Strough asked if part time would get personal time and floating holidays.

Ms. Gilles reiterated that part time employees shall receive the benefit of floating holidays in the same proportion as the ratio of the number of hours that they work in a regular work week.

Mr. Strough thanked Ms. Gilles for clarification.

Chairman O'Brien asked if there were any other questions on the time off policy.

Chairman O'Brien asked for a motion to approve the Time Off Accrual Policy.

Motion made by Mr. Strough.

Seconded by Mr. Hughes.

Hearing no comments or discussion and no opposed, motion carried.

10-YEAR DOT CONTRACT FOR AGFTC

Mr. Frankenfeld stated that the contract between New York State and Lake Champlain Lake George Regional Planning Board to act as the host agency to the transportation council expires on March 21, of 2022. He said the State Department of Transportation is currently working to renew those host agency contracts, and they are planning on sending a 10-year contract agreement to the Regional Planning Board, which is the same term as the existing contract. Mr. Frankenfeld would like to ensure that the RPB is interested in hosting AGFTC for the next 10 years. The Board was amenable.

Mr. Nolette asked if the board should pass a resolution to authorize the chairman to or the executive director to execute the contract with DOT when it arrives.

Mr. Frankenfeld stated that the contract would not need to be signed until April 1st. Ms. Gilles noted there will be an RPB Board meeting in January where she can provide the board with a copy of the contract with DOT to look over before passing a resolution for signature.

COVID-19 RLF MANAGEMENT PLAN ADDENDUM CHANGES

Ms. Gilles said the loan committee wanted to change the terms of the RLF fund to make it more enticing to people. Ms. Gilles reviewed the revised addendum to the RLF plan that was previously emailed to the board. The changes were sent to the EDA and the EDA approved the changes. The last step is for the board to approve the changes.

Chairman O'Brien encouraged the board to have businesses send applications to the RPB.

Motion made by Mr. Strough.

DEFEDERALIZED RLF MANAGEMENT PLAN

Ms. Gilles stated that RLF1 and RLF2 are officially defederalized. Reporting to the federal government on these funds is no longer required. Ms. Gilles reviewed the highlighted changes of the Small Business Loan Fund Management Plan that was emailed to the board. Some changes are as follows: a name change from Revolving Loan Fund to Small Business Loan Fund. The new plan would cover our existing counties of Clinton, Essex, Hamilton, Jefferson, Lewis, Warren, and Washington in addition to Franklin County. Another change would be to reduce the minimum loan amount to \$10,000 and increase the maximum loan amount to \$200,000. There will no longer be the need for a bank declination letter. Repayment terms will remain at a maximum of 15 years. Deviation of the loan terms is determined on a case-by-case basis. Job creation and retention survey is no longer needed. The loans still must abide by the federal law that it is an economic development project.

Mr. Strough suggested stating the plan will adhere to the RPB's Ethics Policy rather than stating it adhere to the RPB's 2018 Ethics Policy.

Ms. Gilles said that can be changed.

Chairman O'Brien asked if there were any other questions.

Chairman O'Brien for a motion to approve the Small Business Loan Fund Management Plan.

Motion made by Mr. Henke.

Seconded by Mr. Strough.

Hearing no comments or discussion and no opposed, motion carried.

CREATION OF RLF 6

Ms. Gilles stated that a new bank account needs to be created because loans given out of RLF 6 have to follow different rules than loans that were given out of RLF 1 and RLF 2. For auditing purposes, it simplifies things. Ms. Gilles would like to ask the board for resolution to create RLF 6 and also authorize the Treasurer to move all the residual monies from RLF 1 and RLF 2 into RLF 6.

Mr. Strough suggested calling the bank account SBLF, not RLF 6 to reduce future confusion.

Chairman O'Brien agrees.

Mr. Nolette said the existing loans will continue to be serviced by the bank and the proceeds would be transferred over to the bank account.

LOAN ADMINISTRATIVE COMMITTEE REPORT

Ms. Wilt gave the loan committee report. The LAC has met three times since the last board meeting. The LAC approved six COVID-19 loans. One in the amount of \$30,000, working capital loan to the Lake Champlain Yoga & Wellness in the Town of Essex, in Essex County. Another for \$30,000, working capital loan to Green.Light.House in the Town of Essex, Essex County. One for \$50,000, working capital loan to The UPS Store in Alexandria Bay in Jefferson County. Another loan for \$150,000, fixed asset loan to Skewed Brew in Lowville of Lewis County. \$60,000 working capital loan to Karasell Flowers in Fort Edward, Washington County. \$150,000 working capital loan to Adirondack Winery in Queensbury, Warren County. The loan administrative committee approved a \$50,000 small business loan to barVino in North Creek in Warren County. However, the owners decided not to take the loan. The LAC approved a \$68,000 small business loan to Karasell Flowers for real estate purchase and denied a COVID-19 loan to the Glenmoore Lodge in Queensbury, Warren County. The Committee approved the defederalization of the RLF management plan. And in RLF 1,2, and 4 there were four loan payoffs.

• COVID-19 SMALL BUSINESS RECOVERY LOAN FUND

Ms. Gilles stated that getting funding out has been a struggle, so an RFQ was put out to hire an outside marketing firm. Mannix Marketing was hired to market the loan fund with a new name and new terms in an effort to get the money lent out. The new name is ADK Small Business Resiliency Fund. Mannix Marketing will also be doing all our Facebook and Google Marketing to the businesses in the eight counties that these loan funds are available to.
